Dear Parent/Carer

STEM Digital Newsletter

Please find below a link to the latest edition of our Larbert High STEM Digital Newsletter. As you may know we have an extensive range of STEM activities, competitions and courses at Larbert High and the newsletter allows us to highlight some of our achievements and experiences and includes articles from staff and pupils.

STEM Digi News also includes our STEM Calendar which allows you to see what is coming up at Larbert High over the next 12 months. We will update this regularly as we find out about new events and initiatives.

A big thanks to Miss Blair and her team for putting this together.
